SUMMARY

Hi! My name is Oliver Jauregui I am a UX / UI Engineer and Project Manager Junior.

A young lover of everything Holistic, a believer in self-taught learning and interested in continuous personal and professional improvement with a future focus on IoT, Blockchain, Computer Vision, Design Thinking, Lean, Agile and the Scrum Master Certification.

MAIN WORK EXPERIENCE

User Experience Designer

06/2020 - Ongoing
<https://www.ludik.pe/>

I'm part of Rubik the innovation laboratory of the Ludik group. I have the role of UX designer in a multi-disciplinary team of 6 people where our goal is to be able to create and design digital products with a scalable business model through innovation methods

UX Consultant

04/2019 - 04/2020
<https://www.globalnick.com/>

I was part of a consultancy that is dedicated to advise StartUps in identifying and defining its business model to later make them their MVPs. I was in charge, through design thinking, to co-create, understand and validate their value proposition and then design user flows, sitemaps, wireframes, etc.
